

Piotr Wisoky

HR expert, experienced manager and leader, operating in Poland and Central Europe.

Piotr has started his adventure with Leadership when he joined IMPAC Integrated Control Systems Ltd in 1996. Working for Impac he has led productivity improvements projects in Poland and he has participated in leadership development programs in United States. He was fascinated by Leadership at the Edge expedition run by Dennis Perkins and Decision Making For Leaders program run by Professor Victor H. Vroom. He has left IMPAC for SABMiller, world's leading beer company, where he had worked for seven years in HR as Performance and Development Manager in Poland, being accountable for Performance Management, Learning and Development. In the period of 2006-2010 he has been holding an HR executive position for one of the Polish leading FMCG companies. In 2010 Piotr has decided to operate as an independent consultant and trainer. He has started the cooperation with Syncretics Group and Professor Victor H. Vroom from Yale School of Management to provide leadership development programs in Poland and Central Europe.

Piotr holds an MSc obtained in Poland and he is a CIPD licentiate. He is very experienced trainer and energetic speaker. He is passionate about his work. Privately he lives in Poland with his wife and 4 children.
